Learning Intention: To story map my own animal tale

Steps to Success:

- identify the important events in the story (summarise)
- use pictures or symbols
- use punctuation
- use adjectives and adverbs

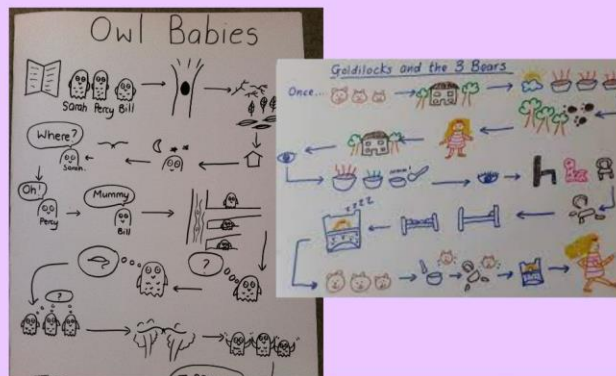

Draw a story map for your new animal tale

## Story map

Another way to help us remember a story, is to story map it. This is when we draw **symbols**, write **key words**, show **punctuation** and use **arrows**.

REMEMBER

we only story map the **key parts** of a story.

## My story map checklist

- ☐ Retell the important parts
- ☐ Pictures and symbols
- ☐ Punctuation (? ! " ' ' .)
- ☐ Interesting vocabulary
- ☐ Arrows to show the order
