

Kingsholm DIY SOS

Saturday 16 March 2024

Please save the date! With your help, we want to make our school somewhere that every member of our Kingsholm Family is proud of.

How you can help:

- ⇒ **Come along on the day with your children, family and friends, and help paint, garden, tidy, and refresh our tired areas.**
- ⇒ **Donate resources: Paint brushes, paint (indoor/outdoor for wood), chalkboard paint, soil, bark, seeds, bulbs, plants, plasterboard, ceiling tiles, upholstery fabric.**
- ⇒ **Giving Your Time & Skills. Talk to friends, neighbours, contacts, work colleagues to see if they can help by giving their time and skills or by donating resources.**
- ⇒ **Lending equipment: Skips, garden tools, wheelbarrows, yard brushes, battery tools, cleaning equipment, carpet cleaning.**

PLEASE CONTACT THE SCHOOL OFFICE if you are able to come along and help and let us know how many adults / children will join us. This will help with our catering number as REFRESHMENTS WILL BE PROVIDED.
