Dear Parents and Carers,

It is a pleasure to be able to introduce myself as the new Headteacher of Kingsholm C of E Primary School and Nursery...what a warm welcome I have received in such a glorious first week after the summer break! It was wonderful to see so many of you on the school gates last week and meet your children as I settle in. Thank you to everyone for giving me a friendly smile and welcome, and for all your words of encouragement.

While I may be new to Kingsholm, I am not new to school leadership or Gloucester. I have a passion for city education and am absolutely committed to making sure that all children are safe, happy and are supported to achieve the best possible personal and academic outcomes, regardless of their starting points or barriers to learning. All children are unique and no two pathways through school will be the same.

I would really like to hear what you, as parents and carers, feel works well at Kingsholm and any aspects of school life that you feel could be improved. In addition to a parent survey, I am aiming to hold parent feedback sessions later in the term to seek your views.

Kingsholm C of E Primary School is iconic to Gloucester and represents everything that I love about working in this dazzlingly diverse city. It is a privilege to be Kingsholm's new Headteacher. I have high hopes and aspirations of what we can achieve for our children and wider community by working in partnership and I am very much looking forward to getting to know you all better in the coming weeks and months.

With warmest wishes,

Steph Matthews
Headteacher.
